

Spiritually Surviving The Culture Of The Big Lie The Fruit Of The Big Lie-Part 1

I. The God Centered Family

Ephesians 5:33 Nevertheless let each one of you in particular so love his own wife as himself, and let the wife see that she respects her husband.

Titus 2:4-5 that they admonish the young women to love their husbands, to love their children, 5 to be discreet, chaste, homemakers, good, obedient to their own husbands, that the word of God may not be blasphemed.

II. The Consequences Of Removing God From Your Life And A Culture

Romans 1:21-22 because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. **22** Professing to be wise, they became fools,

Romans 1:24-32 Therefore God also gave them up to uncleanness, in the lusts of their hearts, to dishonor their bodies among themselves, 25 who exchanged the truth of God for the lie, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen. 26 For this reason God gave them up to vile passions. For even their women exchanged the natural use for what is against nature. **27** Likewise also the men, leaving the natural use of the woman, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due. **28** And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting; 29 being filled with all unrighteousness, sexual immorality, wickedness, covetousness, maliciousness; full of envy, murder, strife, deceit, evil-mindedness; they are whisperers, 30 backbiters, haters of God, violent, proud, boasters, inventors of evil things, disobedient to parents, 31 undiscerning, untrustworthy, unloving, unforgiving, unmerciful;

III. The Fruit Of The Big Lie In The Last Century

On Fichte's death in 1814, he was succeeded by Georg Wilhelm Friedrich Hegel at the University of Berlin. This is the subtle and penetrating mind whose dialectics inspired Marx and Lenin and thus contributed to the founding of Communism and whose ringing glorification of the State as supreme in human life paved the way for the Second and Third Reichs of Bismark and Hitler. To Hegel the State is all, or almost all. Among other things, he says, it is the highest revelation of the "world spirit"; it is the "moral universe" it is the actuality of the ethical idea...ethical mind...knowing and thinking itself; the State "has the supreme right against the individual, whose supreme duty is to be a member of the State...for the right of the world spirit is above all special privileges..."

(William L. Shirer, *The Rise And Fall Of The Third Reich*, p. 98)

In view of the large families of the Slav native population, it could only suit us if girls and women there had as many abortions as possible. We are not interested in seeing the non-German population multiply... We must use every means to instill in the population the idea that it is harmful to have several children, the expenses that they cause and the dangerous effect on woman's health... It will be necessary to open special institutions for abortions and doctors must be able to help out there in case there is any question of this being a breach of their professional ethics.^[1]

(Adolph Hitler)

In Germany in 1933, Hitler's government ordered the compulsory sterilization of all German citizens with 'undesirable' handicaps, not just those held in custody or in institutions. This was to prevent 'contamination' of Hitler's 'superior German race' through intermarriage.

Then from 1938 to 1945, this surgical treatment of such 'useless eaters' was superseded by a more comprehensive solution—the eager genocide, by Hitler's Nazis, of over 11 million people considered to be subhuman or unworthy of life, as is authenticated and documented by the Nuremberg Trials records. Those killed included Jews, evangelical Christians, blacks, gypsies, communists, homosexuals, amputees and mental patients.

This was nothing other than rampant Darwinism — the elimination of millions of human beings branded 'unfit/inferior' by, and for the benefit of, those who regarded themselves as being 'fit/superior'.

The core idea of Darwinism is selection. The Nazis believed that they must direct the process of selection to advance the German race. Galton's naïve vision of a 'eugenics utopia' had mutated into the Nazi nightmare of murderous ethnic cleansing.

National Socialism (Nazism) is a totalitarian system originally created in Germany immediately following World War I, and characterized by intense nationalism (although, ironically, Joseph Goebbels indicated that Nazism hated the concept of nationalism due to it being a bourgeois concept when explaining the NSDAP's political position), dictatorial or draconian police state rule, mass appeal, brutal use of violence, disregard for the law, and a racial policy emphasizing the subjugation or extermination of people considered inferior, based heavily on a belief in social Darwinism, as advocated by people such as Heinrich von Treitschke and Houston Stewart Chamberlain.^[1] This philosophy extrapolated Darwin's "survival of the fittest" theory and said that persons, groups, and races are subject to the same laws of natural selection that Darwin proposed for animals.^[2]

IV. The Fruit Of The Big Lie Today -Without Natural Affection

Jeremiah 1:5 "Before I formed you in the womb I knew you; Before you were born I sanctified you; I ordained you a prophet to the nations."

Luke 1:44 "For behold, when the sound of your greeting reached my ears, the baby leaped in my womb for joy."

"The most merciful thing a large family can do to one of its infant members is to kill it."

(Margaret Sanger, founder of Planned Parenthood, in "Women and the New Race," p.67)

Based on the January 2018 estimate that there have been 60 million abortions in the United States since 1973,²⁰ we can deduce that well over 18 million of them were performed on black babies.

In 2016, approximately 2,538 human beings lost their lives to abortion each day in the United States.

In fact, more members of the black community are killed by abortion each year in the United States than by all other causes combined.¹⁵

"The nuclear family must be destroyed...Whatever its ultimate meaning, the break-up of families now is an objectively revolutionary process."

(Linda Gordon)

"Marriage has existed for the benefit of men; and has been a legally sanctioned method of control over women...We must work to destroy it."

(The Declaration of Feminism, 1971)

Ephesians 6:4 And you, fathers, do not provoke your children to wrath, but bring them up in the training and admonition of the Lord.
